Official Appointments.

Peking, Sept. 28.—Yang-lu has
been appointed Minister of War,

the administrative power of China
has fallen entirely in the hands of
Manchu statesmen.

Grocers.

Not a One Time

Order house is ours: it's
the kind that keeps the
customers for genera-
tions; many men deal
here whose fathers dealt
here for years.

Of course we want
the one-time order, that
is the beginning; each
succeeding order helps
cement the friendly feel-
ing.

A party of Honolulu
Professors going over to
Maui to spend the last
vacation came here to
buy supplies and re-
marked that they tho't
they could buy cheaper
elsewhere but didn't like
the uncertainty and in-
security.

That illustrates the
value of a good name.
